2018 Leadership Rescue Workshop
REGISTRATION FORM
Aug 31 - Sept 2 Cebu, Philippines

This training is OPEN TO ANY CERTIFIED DIVE LEADER (Instructor, Assistant Instructor, Divemaster). NAUI membership is NOT required.

Most dive leaders receive little rescue training beyond the basic skills taught in their basic diver rescue course. Instructors, professional rescue personnel, divemasters, assistant instructors, and dive guides need leadership-level rescue skills and here is a unique opportunity to gain them. Challenge yourself and learn with the famous Lifeguard Systems dynamic, live-action, hands-on scenarios under the guidance of NAUI Course Directors Butch Hendrick and Andrea Zaferes.

Learn valuable procedures to manage operations from an out-of-air diver bolting to the surface to major boat hit incidents with serious in-water trauma. Perform realistic in-water ventilation with drowning mannequins, stop bleeding trauma, perform a surface tank power swim, learn a professional field neurological exam for gas bubble injuries, safely extricate unconscious or injured divers onto boats, perform basic life support on moving boats in rough seas, learn how to set up your gear for accident prevention and management, and much more. Most importantly, you will discover what commonly taught rescue procedures work better in books than in the real world, and you will learn what really works and why.

The workshop is **open to any certified dive leader from any training agency**. The cost is $750 USD per person, based on double occupancy. This **fee includes** round-trip ground transportation from Cebu Airport to Paradive Resort; 4 nights accommodation in twin share room; daily breakfast and lunch; tanks, weights and belt and charter boat during the workshop; three full days of leadership rescue training, certificate of completion and certification card. Plan to arrive 30 Aug and depart 3 Sept. The $750 fee **does NOT include** airfare, personal diving equipment, diving insurance, dinners, and gratuities. Be sure to confirm passport validity and requirements.

ALL FEES ARE PER PERSON, PAYABLE IN U.S. DOLLARS AND ARE NON-REFUNDABLE
